

Jun 28 POSTER SESSION I

POSTER #	Pap #	CONTACT	TITLE
		POSTER SESSION I	
1	-396242	Faria	Florida sawfish (<i>Pristis pectinata</i>) genetic variability: preliminary
2	-881152	Wiley	Utilizing public sightings data to investigate the distribution and
3	-380650	Scharfer - CAR	Site Fidelity and Behavior of Sharks at a Long-Term Shark Feeding
4	-473642	Vaudo - CAR	Round stingray (<i>Urolophus halleri</i>) movements and site fidelity
5	-453007	Matott	Feeding kinematics and the role of jaw protrusion in the sandtiger
6	-466713	Rigonatti	PRELIMINARY STUDY - DEFENSE/ATTACK OF STINGRAY
7	-726332	Beltran - CAR	Collagen and proteoglycan content in skeletal cartilage
8	-475076	Charvet-Almeida - CAR	Fishery, Uses and Conservation of Freshwater Stingrays (<i>Chondro</i>
9	-465696	ACUÑA	AGE AND GROWTH OF THE PORBEAGLE SHARK <i>Lamna nasus</i>
10	-995355	San Martín	Life-history strategies of two sympatric skates of the genus <i>P</i>
11	-763762	Shibuya	Diet of the Caribbean sharpnose shark, <i>Rhizoprionodon porosus</i>
12	-157224	Orlov	Feeding of Pacific sleeper shark and five deep-benthic skates
13	-815556	Chidlow - CAR	Age and growth of the Western Wobbegong shark (<i>Orectolobus</i>
14	-065351	Neer - CAR	Age and growth of the bull shark, <i>Carcharhinus leucas</i> , in the
15	-413603	Awruch - CAR	Preliminary investigation into the biology and movements of the
16	-464487	Lucifora	Ontogenetic dietary shift in the Rio skate, <i>Rioraja agassizi</i>
17	-466247	Lucifora	Predation on eggcases of skates (<i>Rajidae</i>) in the Southwestern
18	-468062	Lucifora	Reproduction of the shark <i>Galeorhinus galeus</i> from Argentina
19	-405985	Litherland	Visual ecology in elasmobranchs: photoreceptor and ganglion
20	-476336	Flammang - CAR	Preliminary findings on the distribution, abundance, and reproduction
21	-182137	Dicken - CAR	An initial estimate of the population size of the juvenile Spotted
22	-403869	Jaime Rivera	Pelagic shark catch in Baja California Sur, Mexico, and its relationship
23	-458574	Mancini	FISHERY BIOLOGY OF BIGEYE THRESHER SHARK, <i>Alopias</i>
24	-465941	Massa	Exploitation of cartilaginous fishes from Argentina: current situation
25	-871466	Todd - CAR	Detection of genetic variation in <i>Rhizoprionodon terraenovae</i>
26	-366731	Lopez	Two independent partial duplications of cytochrome b in the m
27	-397098	Keeney - CAR	Microsatellite loci isolated from the blacktip shark with cross-s
28	-382593	Castro	Inter-tooth distance as a predictor of body length in sharks
29	-395796	Dean	Functional morphology of jaw trabeculation in <i>Narcine brasiliensis</i>
30	-460815	Kajiura - CAR	Stereo olfaction in hammerhead sharks - Smells like a red herring
31	-741553	Ari - CAR	Supposed sexual dimorphism on the cerebellum of the ray <i>Meg</i>
32	-073096	Lúcia Goés de Araújo	Stereological analysis on the gills of freshwater stingray <i>Potamorh</i>
33	-999057	Whitehead	Comparisons of ampullae of Lorenzini obtained from <i>Carcharhin</i>
34	-369714	Furtado-Neto	Molecular Phylogeny of Angel Sharks (<i>Squatina</i> spp., Elasmobr
35	-291811	Ibrahim	Bioenergetics of the Little Skate (<i>Raja erinacea</i>)
36	-459235	Backey - CAR	A Comparison of Lactate Processing in Endothermic and Ectother
37	-337560	Duong	The contribution of mitochondrial proton leak to heat production
38	-295283	Fangue - CAR	Comparative Batoid Thermal Tolerance
39	-283990	Lacy	Acid-base and osmo-regulation in the Atlantic stingray: possible
40	-108913	Mandelman - CAR	The physiological effects of commercial fishing on the spiny dog
41	-480465	Marqueda Cava - CAR	Reproductive biology of Pacific angel shark <i>Squatina californica</i>
42	-032418	Almeida	Polychromatic and Morphometric Aspects of the Freshwater S
43	-815706	Díaz de Astarloa	<i>Bathyraja cousseauxi</i> sp.n., a new softnose skate from the south
44	-373310	Di-Bernardo	Semi-aquatic? Revelations of natural history of <i>Chthonerpeton</i>
45	-393719	Endriss	Terrestrial salamander abundance and relationship to habitat
46	-454308	Aubee - S (H)	Breeding phenology in the polymorphic mole salamander, <i>Amph</i>
47	-464662	Whiteman	A skeletochronological assessment of alternative life histories
48	-464149	Smith	Breeding phenology and demographics of an eastern tiger sal
49	-206554	Schiesari - S (H)	A comparative study of the feeding ecology of anuran larvae u
50	-474173	Segalla	Species richness of anuran amphibians in the Atlantic Forests
51	-103565	Ferreira	Richness of species and intensity of vocalization of anuran in
52	-101947	Ferreira	Natural History of <i>Micrurus pyrrhocryptus</i> (Serpentes, Elapida
53	-000403	Leal	The anurans from two localities of Belterra Country, Para Stat
54	-889374	Lucas	Habitat use and seasonal activity of three species of <i>Leptodact</i>
55	-473429	Leite	Population structure and development of <i>Phasmahyla jandaia</i>
56	-365039	Filizola	Habitat use by <i>Flectonotus goeldii</i> Boulenger, a bromeligenou
57	-366450	Filizola	The inquiline's associations between mites and ostracods with
58	-395649	Santos	Calling site and male density of the syntopic torrent frogs, <i>Hyla</i>

Jun 28 POSTER SESSION I

59	-110186	Vaz-Silva	Trophic relations between three species of albopunctata group
60	-092626	Vaz-Silva	Trophic relations between three species of the genus Bufo (B)
61	-831179	Vargas Salinas	PRELIMINARY OBSERVATIONS TO ECOLOGY AND ONTO
62	-234546	Vilella	Short-term effects of hurricane Georges on frog populations o
63	-378139	Solé	Diet Composition of the toad Bufo ictericus (Amphibia: Bufoni
64	-363449	Ramírez Pinilla	Resource partitioning and ecological structure of an Eleuther
65	-436809	Whelan	Stratification of Hylids within a Mangrove Habitat of South Flo
66	-466661	Silvano	Notes on the phyllomedusine frog Hylomantis aspera Peters,
67	-217756	Menin	Predation on foam nests of leptodactyline frogs (Anura, Lepto
68	-372277	Di-Bernardo	Reproductive cycle and diet of the harlequin frog, Pseudis mir
69	-466578	Piper	Assessment of age distribution of the frog Rana luteiventris in
70	-434048	Nomura	Seasonal occurrence of Dermatonotus muelleri (Boettger, 188
71	-349339	Kwet	Do male tree frogs feed during the breeding season? A comp
72	-380604	Solé	Diet of Physalaemus lisei (Amphibia: Leptodactylidae) in an A
73	-060017	Molina Rodríguez	Reproductive ecology of Mannophryne herminae (Anura: Den
74	-090957	Moreira	Ecology and reproductive biology of Phrynosops hogei
75	-452733	Bager	Movement and fidelity to the nest site area for Trachemys dor
76	-466402	Bager	Characterization of a population of Trachemys dorbignyi in the
77	-452324	Bager	Reproductive ecology of Brazilian Slider Turtle, Trachemys do
78	-476348	Bager	Morphological characterization and observations relating to th
79	-451961	Bager	Reproductive ecology of Hydromedusa tectifera (Testudines -
80	-452178	Bager	Effect of the nest predation in the reproductive success of Tra
81	-293455	Carranza Luaces	First finding of Columbus crab living in association with Carett
82	-131148	Grayson - S (H)	Seasonal body temperature variation in the Eastern painted tu
83	-271520	Haller	Reproductive Biology of Podocnemis sextuberculata CORNAL
84	-276784	Gordon	Frozen or supercooled: determining overwintering strategies c
85	-323395	Lopez Mendilaharsu	Diet preferences by immature green turtles (Chelonia mydas)
86	-410438	Doodly	Ecology of long-necked turtles, Chelodina longicollis, in a new
87	-076154	Jerozolimski	Home range estimates and movement patterns for the Amazo
88	-437881	Castaño-Mora	Threats to nestings of Podocnemis erythrocephala in the lowe
89	-718521	Maharaj - S (H)	A Comparative Study of Leatherback Turtle Dermochelys cori
90	-458794	Verdon - S (H)	Activity patterns and habitat use of the Florida box turtle (Terr
91	-109878	Mesquita	The Ecology of Cnemidophorus ocellifer (Squamata, Teiidae)
92	-376839	Rinaldi Colli	Morphological variation of Ameiva ameiva populations from na
93	-462409	Sheehy III	Interspecific communal oviposition and reproduction of four sp
94	-180990	Pizzatto	Reproductive biology of the 'Glass snake' Ophiodes cf. striatu
95	-123275	Pizzatto	Reproductive patterns of Liophis miliaris (Colubridae) in Braz
96	-099998	Zatz	Maintenance of Chromatic polymorphism in Enyalius sp (Squa
97	-459935	Fox	Genetic structure and home range overlap in the granite spiny
98	-370447	Schmitt	Aspects of the natural history of the snakes of the "Parque Na
99	-458509	Maciel	Ecology and natural history of Liophis poecilogyrus (Serpente
100	-064684	Tozetti	Habitat use and activity of the rattlesnake, Crotalus durissus, i
101	-369921	Di-Bernardo	Diet of the false coral snake Oxyrhopus rhombifer rhombifer (S
102	-440202	Di-Bernardo	Snakes of the sand coast dunes of Rio Grande do Sul, Brazil:
103	-439294	Di-Bernardo	Diet of a snake community in the coastal sand dunes of Rio G
104	-474826	Oliveira	Diversity of feeding habits in Neotropical pitvipers of the Bothr
105	-362749	Souza	Diet of snakes in an environmental stress situation
106	-402963	Hasegawa	Gigantic snakes in seabird colony: How long did they live to a
107	-399100	Sawaya	Evaluation of four snake sampling methods by species accum
108	-405219	Puente-Rolón	Effect of Translocation on the Puerto Rican Boa (Epicrates inc
109	-239014	Mullin	Snake Ecology 2004: Another meeting of the minds
110	-394212	Ballestrin Outeiral	Diversity of a snake community in the southern grasslands of
111	-459593	Santos-Costa	Diversity of snakes community of the rain forest on Ferreira P
112	-046963	Dall'Ara Guimaraes - NIA (Po)	Herpetofaunal Community of Morrinhos, south of the State of
113	-053691	Medeiros	Biodiversity of the herpetofauna in three different habitats in A
114	-056804	Crewe	Does forest harvesting affect the distribution of amphibians?
115	-372747	Brasileiro	The effect of fire on anuran diversity in the Cerrado
116	-394824	Hawley - Storer (H)	Hurricane induced change in anuran species composition and
117	-479108	Machado	Amphibian diversity and temporal and spatial distribution patte
118	-076984	Wasko	Assemblage structure and seasonal activity of a herpetofauna
119	-875680	Neckel-Oliveira	Amphibians, Lizards and Snakes of Jau National Park, Brazil

Jun 28 POSTER SESSION I

120	-472464	Shipman	Predicting the distribution of amphibians and reptiles in the Ou
121	-459112	Cechin	Reptile survey in Federal University of Santa Maria, Rio Grand
122	-201789	Loebman - NIA (Po)	Herpetofauna of The National Park of Lagoa do Peixe, Rio Gr
123	-200744	Loebman - NIA (Po)	The Fish Assemblage of The Lagoa do Peixe National Park, F
124	-487097	Jiménez-Segura	Freshwater Fishes and Posthodiplostomum (Trematoda): Infl
125	-070899	Yamamoto	Abundance and distribution of Triportheus angulatus in a Cen
126	-071116	Siqueira-Souza	Fish diversity of floodplain lakes of middle stretch of Solimoes
127	-071278	Aquino do Nascimento	Spatial distribution of the main fish species caught at the Tucu
128	-072830	Colmenero Lin	Are the effects of bauxite tailings on fish community attenuate
129	-973868	Albrecht	Effects of a second dam on the ichthyofauna trophic structure
130	-980794	Perillo Nogueira	Ichthiofauna of the Rio Grande, Parana River System, at the F
131	-048985	Torrente-Vilara	Population parameters variations for three anostomid species
132	-050950	Paulino	Ecology of sand beach fish assemblages in the Araguaia Rive
133	-091482	Vieira	Relative abundance of the jaraquis (Semaprochilodus spp) (S
134	-053615	do Vale	Fish diversity in a floodplain system at the confluence of Solim
135	-849291	Tejerina-Garro	Spatial variability of the habitat-fish interections in tropical rive
136	-761721	Ingram	Habitats of small pelagic fishes in the U.S. Gulf fo Mexico
137	-847005	Paperno	Gray snapper, Lutjanus griseus: assessment of recruitment ar
138	-204565	Amadio	Reproductive Intensity of fishfauna from Cantao State Park of
139	-203583	Garcia - NIA (Po)	Inter-annual and spatial trends of shallow-water freshwater fis
140	-203096	Oyakawa	Fish Diversity of the Streams and Headwaters of the Rio Ribe
141	-141548	Ferreira Rezende	Spatial-temporal variations in the feeding habits of Bryconame
142	-174519	Ferreira Rezende	A fish community of the Bateia stream midwaters, Tocantins b
143	-771216	Cunningham	Biodiversity and marine fish community alterations of a coasta
144	-846210	Fialho	Spatial and temporal variability of fish community in the Meia
145	-500100	Barko	Relationship among side channels, fish assemblages, and env
146	-988614	Kemenes	Factors Influencing Community Structure and Spacial Distribu
147	-059794	Menezes	Implementing the knowledge and conservation of fish diversity
148	-965411	Habit	Spatial and temporal variations of the fish assemblage of a lo
149	-646468	Baumgartner	Student research assistants: A vast, untapped resource.
150	-379418	Corbino - S (I)	Habitat dependent ontogeny of Brevoortia patronus in an oligo
151	-383669	Chao	USING RAPID ASSESSMENT PROTOCOL TO INVESTIGAT
152	-299419	Cipamocha	Upstream migrating fishes from the 'Chorro de Cordoba' torre
153	-454869	Brandão	Are reservoir conditions an attractive for the catfish Sorubim li
154	-705837	Leckvarcik - S (I)	Restoration of the Pennsylvania endangered bridle shiner Not
155	-440818	Alves	The fish fauna of Rio das Velhas: prospect of recovery
156	-272368	Tzilkowski - S (I)	Life history, habitat, and distribution of the burbot (Lota lota) ir
157	-398406	Hatch	The effect of overwintering and toe clipping on B. dendrobatid
158	-406285	Puente-Rolón	Comparison of External bacterial flora between Newborns and
159	-231037	Bolek	Life cycle variation and colonization of young of the year leopa
160	-438226	Duncan	Enzymes of energy metabolism in hatchlings of amazonian fre
161	-376420	Grant - S (H)	Chemical underpinnings of an induced defense in gray treefro
162	-385166	Navarrete	Proteolytic Viperidae and Elapidae Venom Comparisons in Ne
163	-493632	Haston - S (H)	Reciprocal Translocation to Distinguish Between Population V
164	-474448	Rostal	Ultrasonography of reproductive structures and hormonal corr
