# AMERICAN SOCIETY OF ICHTHYOLOGISTS AND HERPETOLOGISTS

FINANCIAL STATEMENTS WITH INDEPENDENT AUDITORS' REPORT

**DECEMBER 31, 2020 AND 2019** 

#### **INDEPENDENT AUDITORS' REPORT**

To the Board of Governors American Society of Ichthyologists and Herpetologists Lawrence, Kansas Administrative operations in Seattle, Washington

We have audited the accompanying financial statements of American Society of Ichthyologists and Herpetologists (a nonprofit organization), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of American Society of Ichthyologists and Herpetologists as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

TEL 206.525.5170 17544 Midvale Ave N, Suite 100 Shoreline, WA 98133 www.judyjonescpa.com

#### **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of activities and changes in net assets by fund is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole as of and for the years ended December 31, 2020 and 2019.

#### Note 1 – Nature of Activities and Summary of Significant Accounting Policies

**Nature of Activities** – American Society of Ichthyologists and Herpetologists (the Society) is organized as a non-profit corporation for the purposes of increasing knowledge of all kinds concerning fish (ichthyology), reptiles, and amphibians (herpetology). The Society's main sources of income are member dues, subscription revenue from the Society's quarterly journal, *Ichthyology & Herpetology* (previously named *Copeia*), revenue sharing from virtual sources of *Ichthyology & Herpetology*, and contributions.

The major programs of the Society are the publications of the quarterly journal, *Ichthyology & Herpetology*, the publication of books on ichthyology and herpetology, the recognition of achievements in these fields through annual awards, and the presentation of invited and contributed talks and posters at the annual meeting by the membership.

**Basis of Accounting and Presentation** – The financial statements of the Society have been prepared on the accrual basis of accounting and report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for a general endowment and lifetime memberships.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**Cash and Cash Equivalents** – For purposes of the statements of cash flows, the Society considers all highly liquid investments with an initial maturity of three months or less to be cash and cash equivalents. At December 31, 2020 and 2019, cash and cash equivalents consist of checking accounts.

Accounts Receivable – Accounts receivable consist primarily of unsecured amounts due for publication sales. All account balances are due in less than one year. No allowance for uncollectible balances has been established by management based upon the Society's historical experience in the collection of balances due.

## AMERICAN SOCIETY OF ICHTHYOLOGISTS AND HERPETOLOGISTS NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

#### Note 1 – Nature of Activities and Summary of Significant Accounting Policies (Continued)

**Investments** – The Society carries investments with readily determinable fair values at their fair values in the statement of financial position. Investment return is included in the accompanying statement of activities.

**Fair Value Measurements** – Fair value is defined as the price received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Accounting standards establish a hierarchy for measuring fair value that gives the highest priority to unadjusted quoted prices in active markets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1 Unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2 Quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, or other inputs that can be corroborated by observable market data.
- Level 3 Inputs that are not observable that reflect management's assumptions and estimates.

Fair value measurements apply to the Society's mutual funds, which are classified within Level 1 of the fair value hierarchy.

**Revenue Recognition** – Contributions are recorded as increases in net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor restrictions. When a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restriction.

The Society recognizes revenue for publications when products are sold at the point of sale.

Revenue from memberships and registrations is recognized when control of these services is transferred to its customers, in an amount that reflects the consideration the Society expects to be entitled to in exchange for the services provided. Revenue received for future services are deferred until the service commences.

Memberships and registrations may give rise to performance obligations for the Society. Revenue with performance obligations is recognized when the Society satisfies a performance obligation by transferring a promised good or service to a customer at a point in time or over time. Memberships and registrations do not have a significant financing component and the consideration amount is not variable. For the related performance obligations, control of the promised good or service transfers to the customer at a point in time. Payment is typically due in full when the customer completes a membership agreement or registration form and revenue is recognized in the period in which the service is rendered.

## AMERICAN SOCIETY OF ICHTHYOLOGISTS AND HERPETOLOGISTS NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

## Note 1 – Nature of Activities and Summary of Significant Accounting Policies (Continued)

**Expense Allocation** – The costs of providing various programs and other activities have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses are generally attributed to a single program or supporting functions of the Society and do not require allocation. Any expenses attributable to one or more programs or supporting functions are allocated on the basis of time and effort spent.

**Estimates** – Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

**Income Tax Status** – The Society is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. The Society qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

**Subsequent Events** – Subsequent events were evaluated through July 6, 2021, which is the date the financial statements were available to be issued.

## Note 2 – Liquidity and Availability

Financial assets available for general expenditure within one year of the statement of financial position date are as follows at December 31:

		2020	2019		
Financial Assets					
Cash and cash equivalents	\$	48,729	\$	35,943	
Investments		1,550,984		1,505,235	
Accounts receivable		63,553		79,939	
Total financial assets		1,663,266		1,621,117	
Less those unavailable for general expenditures within one yea	r:				
Restricted by donors with purpose restrictions		(428,908)		(387,698)	
Restricted by donors with perpetual restrictions		(132,000)		(132,000)	
Board designated funds (unavail. without Board approval)		(421,478)		(374,493)	
Financial assets available within one year	\$	680,880	\$	726,926	

The Society's financial assets have seasonal variations during the year attributed to the timing of receipt of membership and publication. The Society can draw upon the board designated funds, upon approval of the governing board, in the event of financial distress or an immediate liquidity need. Distress or a liquidity need could result from events outside the typical life cycle of converting financial assets to cash or settling financial liabilities.

### Note 3 – Investments

The Society's investments consist of the following at December 31:

	2020	2019
Mutual Funds		
Intermediate Core-Plus Bond	\$ 328,460	\$ 310,960
Large Blend	179,279	163,112
Intermediate Core Bond	164,397	156,483
Large Growth	145,017	108,269
Mid-Cap Value	129,060	110,379
Small Growth	101,984	79,368
Diversified Emerging Markets	96,104	84,152
Government	85,871	186,205
Large Value	75,648	67,800
High Yield Bond	70,574	65,092
Mid-Cap Growth	67,174	52,057
Foreign Large Growth	65,225	40,814
Emerging Markets Bond	42,191	39,646
World Allocation	 -	 40,898
	\$ 1,550,984	\$ 1,505,235

## Note 4 - Net Assets Without Donor Restrictions - Board Designated

The Board of Governors has designated certain funds, from net assets without donor restrictions, as follows at December 31:

	2020	 2019
General endowment - major and minor donations to the Society		
received without any donor restrictions will be added to this		
fund. A percentage of the value may be dispersed by the Board		
of Governors for specified activities of the Society based on		
recommendations of the Executive Committee.	\$ 296,433	\$ 268,321

(continued on next page)

## AMERICAN SOCIETY OF ICHTHYOLOGISTS AND HERPETOLOGISTS NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

### Note 4 – Net Assets Without Donor Restrictions - Board Designated (Continued)

	2020	2019
Lifetime memberships - dues received from Lifetime Members will be added to this fund. A percentage of the value may be dispersed by the Board of Governors for specified activities of the Society based on recommendations of the Executive		
Committee.	\$ 125,045	\$ 106,172
	\$ 421,478	\$ 374,493

#### Note 5 – Net Assets with Donor Restrictions

Net assets with donor restrictions consist of the following at December 31:

	2020			
Restricted for a specified purpose:				
Cashner Award Fund	\$ 7,015	\$	2,380	
Fitch Award Fund	30,888		28,834	
Gaige Award Fund	59,149		60,611	
Gibbs Award Fund	91,261		76,020	
Liner/Nelson/Other	(239)		58	
Meritorius Teaching Award	(1,003)		(691)	
Raney Award Fund	52,150		50,560	
Storer Award Fund	56,291		50,882	
Stoye Award Fund	127,938		115,632	
Student Travel Fund	5,458	3,412		
	 428,908		387,698	
Perpetual in nature:				
Gibbs Award Fund	100,000		100,000	
Raney Award Fund	 32,000		32,000	
	 132,000		132,000	
	\$ 560,908	\$	519,698	

#### Note 6 – Endowments

**Nature of Endowments and Applicable Laws** – Net assets with perpetual donor restrictions consist of two endowments with donor restrictions in which the investment return is to be used for specific awards. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. The endowment funds are included in investments on the statement of financial position. The proceeds from endowments are to be used for the following purposes:

<u>The Robert H. Gibbs, Jr. Memorial Fund</u> – This fund shall be invested and used to award a yearly prize based on an outstanding published body of work in systematic ichthyology by a citizen of a Western Hemisphere nation who has not been a previous recipient of the award.

<u>The Edward C. and Charlotte E. Raney Fund</u> – This fund shall be invested and used to provide support for young ichthyologists in such a way as to enhance their professional careers and their contributions to the science of ichthyology.</u>

Absent of explicit donor stipulations to the contrary, the Board of Governors of the Society has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor restricted endowment funds. As a result of this interpretation, the Society classifies as net assets with perpetual donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor restricted endowment fund that is not classified in net assets with perpetual donor restrictions is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Society in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Society considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Society, and (7) the Society's investment policies.

The balance in the portion of the endowment funds that is classified as net assets with donor restrictions also includes donations made in support of the fund which are not perpetual in nature.

### Note 6 – Endowments (Continued)

**Investment Return Objectives, Risk Parameters and Strategies** – The Society has adopted investment and spending policies for endowment assets. Those policies attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the endowment assets are invested in a manner that is intended to produce results that approximate a yield of 5% per year, while assuming a moderate level of investment risk. Actual returns in any given year may vary from this amount. To satisfy its long-term objectives, the Society relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividend). The Society targets a diversified asset allocation that places equal emphasis on equity based and income investments to achieve its long-term objectives within prudent risk constraints.

**Spending Policy** – The Society has a policy of appropriating for distribution each year 5% or less of the endowment funds' average fair value. Accordingly, the Society expects the current spending policy to allow its endowments to remain stable on an annual basis. This is consistent with the Society's objectives to maintain the purchasing power of the endowment assets held in perpetuity as well as provide adequate funding for annual awards.

**Funds with Deficiencies** – From time to time, the fair value of assets associated with individual endowment funds may fall below the total amount of the gifts made to the endowment by the donor. There were no endowment funds with deficiencies as of December 31, 2020 and 2019.

Endowment net assets composition by type of fund at December 31, 2020 is as follows:

	Withou	ut Donor	V	Vith Donor				
	Restr	Restrictions		Purpose		Perpetual		Total
Gibbs Award Fund	\$	-	\$	91,261	\$	100,000	\$	191,261

#### Note 7 - Related Party Transaction

A member of the Society's Board of Governors and the Executive Committee is married to the production editor. The production editor is paid an annual fee. The Society paid the production editor \$30,986 and \$30,124 for services rendered during the years ended December 31, 2020 and 2019, respectively.

#### Note 8 – Risks and Uncertainties

In December 2019, a novel strain of coronavirus (COVID-19) was first reported. On March 11, 2020, the World Health Organization declared the outbreak to be a global pandemic. The extent of the impact of COVID-19 on the Society's operations will depend on certain developments, including the duration and spread of the outbreak and the impact to members and customers, all of which are uncertain and cannot be determined.

## Note 8 – Risks and Uncertainties

As a result of the pandemic, the Society cancelled its annual meeting, which was scheduled to take place in July of 2020 in Norfolk, Virginia, and had to pay significant cancellation fees and put a substantial down payment on a future meeting in 2023 in order to avoid even larger fees. In addition, deferred revenue for membership fees declined because many people renew their memberships when they register for the annual meeting. The investment return also significantly decreased given the market recession caused by the pandemic.

The extent to which the pandemic will further impact the Society going forward will depend on numerous evolving factors that cannot be reasonably predicted, including the duration and scope of the pandemic; governmental, business, and families' actions in response to the pandemic; and the impact on economic activity including the possibility of further recession or financial market instability. SUPPLEMENTAL INFORMATION
